Notice of Thetford Town Manager Committee

The Thetford Selectboard is looking for interested residents to take part in a new Town committee to discuss and research the benefits of moving our town governance here in Thetford to that of a Town Manager.

The charge of this committee would include research of State statute, examples of other town manager positions, speaking with all Town departments and elected officials, and to present an opinion and basic job description of a town manager to the Selectboard for a potential upcoming Town discussion and vote.

Notes of interest, including what skills you may personally bring to the committee, will be taken until April 23, 2018, and can be dropped off at Town Hall, mailed to the Town of Thetford, PO Box 126, Thetford Center, VT 05075, Attn: Selectboard, or e-mailed to either, or both, selectboard@thetfordvermont.us or selectboardassistant@thetfordvermont.us

Respectfully,

Thetford Selectboard
